

CALL FOR PAPERS

The 21st International Conference on Computer Communication and Networks (ICCCN 2012)

July 30 – August 2, 2012 München, Germany http://www.icccn.org/icccn12/

ICCCN is one of the leading international conferences for presenting novel ideas and fundamental advances in the fields of computer communications and networks. ICCCN serves to foster communication among researchers and practitioners with a common interest in improving communications and networking through scientific and technological innovation.

Scone

The primary focus of the conference is on new and original research results in the areas of design, implementation, and applications of computer communications and networks. Topics of interest include, but are not limited to, the following

- Cognitive, Cellular, and Heterogeneous Wireless Networks (CCHN)
- Grid and Cloud Computing (GCC)
- High Speed and Data Center Networks (HSDC)
- Wireless LAN, Ad Hoc and Mesh Networks (LAMN)
- Multimedia, QoS and Traffic Modeling (MQTM)
- Network Architecture and Clean-Slate Designs (NACSD)
- Network Algorithms and Performance Evaluation (NAPE)
- Networking for Sustainability, Reliability and Energy Efficiency (NSRE)
- Network Science and Social Networks (NSSN)
- Sensor Networks, Embedded Systems, and Pervasive Computing (SEP)
- Security, Privacy and Trust (SPT)

Instructions for Authors:

Submitted manuscripts must be formatted in standard IEEE camera-ready format (double-column, 10-pt font) and must be submitted via EDAS (http://edas.info/) as PDF files (formatted for 8.5x11-inch paper). The manuscripts should be no longer than 7 pages. Up to two additional pages are permitted if the authors are willing to pay an over-length charge at the time of publication (manuscripts should not exceed 9 pages). Submitted papers cannot have been previously published in or be under consideration for publication in another journal or conference. The Program Committee reserves the right to not review papers that either exceed the length specification or have been submitted or published elsewhere. Submissions must include a title, abstract, keywords, author(s) and affiliation(s) with postal and e-mail address(es). A paper abstract must be registered on EDAS by the deadline indicated below.

Review and Publication of Manuscripts:

Submitted papers will be reviewed by the TPC and judged on originality, technical correctness, relevance, and quality of presentation. An accepted paper must be presented at the conference venue by one of the authors registered at the full registration rate. Each full registration covers up to two papers by an author.

Workshops:

The conferences will feature a number of interesting satellite workshops on Monday, July 30. Workshop proposals should be submitted to the Workshop Chair Fan Zhai (fzhai@ti.com). The details on the call for workshop proposals can be found on the conference web site. For any question or additional information please contact the General and TPC Chairs.

Important dates:

Abstract Due	Paper Due	Acceptance Notification	Camera Ready Due
February 3, 2012	February 10, 2012	April 23, 2012	May 10, 2012

General Chairs: Krishna Kant, George Mason University / NSF, USA

Xiaobo Zhou, University of Colorado, Colorado Springs, USA

Vice Chairs: Georg Carle, Technical University München, Germany

Gabi Dreo Rodosek, University der Bundeswehr München, Germany

Program Chairs: Prasant Mohapatra, University of California, Davis, USA

Guevara Noubir, Northeastern University, USA

Workshop Chairs: Fan Zhai, Texas Instruments, USA

Christian Poellabauer, University of Notre Dame, USA
